Aloha Supporters:

The Hawai'i Fire Chiefs Association (HFCA) is comprised of over 300 members, which includes the various fire departments throughout the State of Hawai'i (Honolulu, Hawai'i, Maui and Kaua'i Counties; State of Hawai'i Airport Crash/Rescue; Federal Fire Department-Hawaii; Barking Sands Fire Department; State Forestry; and Army Fire Department).

The HFCA Board of Directors and Membership appreciate your continued support of our Organization. Now in its 41<sup>st</sup> year, HFCA continues to be a Hawai'i nonprofit Corporation Sec. 501 (c) (3) exclusively for the purpose of advancement of fire and emergency personnel through education and training. Funds generated through our conference and sponsorship programs are used for this purpose.

Through your continued support, we have been able to sustain the high quality of our annual conference. Networking throughout the fire industry has allowed us to attract and secure informed, dynamic speakers, as well as a growing number of vendor participants. Our goals are to continue to strengthen and expand the initiatives of the HFCA, as well as the training and educational needs of our member departments. We continue our efforts to partner with the Western Fire Chiefs Association.

To achieve our goals and initiatives, we request your support of the HFCA through our "Sponsorship Program." This program is strictly voluntary and your contribution or absence thereof will have no bearing on the services or products provided or offered by you to any fire jurisdiction throughout the State of Hawai'i.

The "Sponsorship Program" is associated with our annual conferences and all contributors shall be recognized for their support during our conference. We have enclosed the HFCA Sponsorship Program Contribution Form in this packet. Should you have any questions, please feel free to contact me at (808) 478-8560 or e-mail at [hwnfyrmn@gmail.com](mailto:hwnfyrmn@gmail.com)

Sincerely,

Thomas Perkins, President  
Hawaii Fire Chiefs Association
